

Text of pdf files of *Nature in Singapore* articles and *Raffles Museum Books* to be unlocked with effect from 1 Jun 2010

With effect from Tuesday, 1 Jun.2010, the text in *Nature in Singapore* article and *Raffles Museum Book* pdf files available online will be unlocked to allow convenient cutting and pasting. This departure from the current policy is in the spirit of increasing the dissemination of scientific information for the convenience of the reader.

This announcement serves as a public record stating that apart from the removal of password security from the pdf files, no other content has been modified for the *Nature in Singapore* article and *Raffles Museum Book* pdf files published prior to 1 Jun.2010. Readers should also note that the modification date for all *Nature in Singapore* and *Raffles Museum Books* pdf files will change to 1 Jun.2010.

In line with this, the *Raffles Bulletin of Zoology* article pdf files will be unlocked from Tuesday, 31 Aug.2010 when the next issue is published.
