ACKNOWLEDGEMENTS

We would like to thank Jeremy Woon and Chua Yen Kheng of the National Parks Board for assisting us to obtain permission to work in the Bukit Timah Nature Reserve and Central Catchment Nature Reserve. Alex Figueroa would like to express his gratitude to the National Science Foundation East Asia, Pacific Summer Institute, and the National Research Foundation for providing him with a grant to visit and work in Singapore. Sincere thanks go out to David Bickford for sponsoring this research, Anne-Devan Song for her logistical help, and Kelvin Lim of the Raffles Museum of Biodiversity Research for his assistance.
