### CONTENTS

PANGLAO 2004 – Investigations of the Marine Species Richness in the Philippines. <b>Philippe Bouchet, Peter K. L. Ng, Danilo Largo and S. H. Tan</b> .....	1
PANGLAO 2005 – Survey of the deep-water benthic fauna of the Bohol Sea and adjacent waters. <b>Bertrand Richer de Forges, S. H. Tan, Philippe Bouchet, Peter K. L. Ng, Chan Tin-Yam and Noel Saguil</b> .....	21
Tangle net fishing, an indigenous method used in Balicasag Island, Central Philippines. <b>Peter K. L. Ng, Jose Christopher E. Mendoza and Marivene R. Manuel-Santos</b> .....	39
Shallow water and deep-sea barnacles (Crustacea: Cirripedia: Thoracica) collected during the Philippine PANGLAO 2005 expedition, with descriptions of two new species. <b>Benny K. K. Chan</b> .....	47
Morphological and genetic differentiations of the stalked barnacle <i>Heteralepas japonica</i> Aurivillius, 1892, with description of a new species of <i>Heteralepas</i> Pilsbry, 1907, from the Philippines. <b>Benny K. K. Chan, Ling Ming Tsang and Fu-Lung Shih</b> .....	83
The larval development of <i>Caridina pseudodenticulata</i> (Crustacea: Decapoda: Atyidae) reared in the laboratory, with a discussion of larval metamorphosis types. <b>Hong-Thih Lai and Jhy-Yun Shy</b> .....	97
A new species of <i>Stenopus</i> (Crustacea: Decapoda: Stenopodidae) from the Indo-West Pacific, with a redefinition of the genus. <b>Tomomi Saito, Junji Okuno and Tin-Yam Chan</b> .....	109
The genus <i>Thalassina</i> Latreille, 1806 (Crustacea: Thalassinidea: Thalassinidae). <b>Nguyen Ngoc-Ho and Michèle de Saint Laurent</b> .....	121
A new classification for the Pylochelidae (Decapoda: Anomura: Paguroidea) and descriptions of new taxa. <b>Patsy A. McLaughlin and Rafael Lemaitre</b> .....	159
The Cymonomidae of the Philippines (Crustacea: Decapoda: Brachyura), with descriptions of four new species. <b>Shane T. Ah Yong and Peter K. L. Ng</b> .....	233
On the majoid genera <i>Oxypleurodon</i> Miers, 1886, and <i>Sphenocarcinus</i> A. Milne-Edwards, 1875 (Crustacea: Brachyura: Epiplatidae), with descriptions of two new genera and five new species. <b>Bertrand Richer de Forges and Peter K. L. Ng</b> .....	247
A new species of <i>Alox</i> Tan & Ng, 1995 (Decapoda: Brachyura: Leucosiidae) from Balicasag Island, the Philippines. <b>Bella S. Galil and Peter K. L. Ng</b> .....	267
Shallow-water Trapeziidae and Tetraliidae (Crustacea: Brachyura) of the Philippines (PANGLAO 2004 Expedition), New Guinea, and Vanuatu (SANTO 2006 Expedition). <b>Peter Castro</b> .....	271
On the identity of <i>Pinnixa brevipes</i> H. Milne Edwards, 1853, and a new species of <i>Aphanodactylus</i> Tesch, 1918 (Crustacea: Decapoda: Brachyura: Pinnotheroidea) from the Philippines. <b>Peter K. L. Ng and Tohru Naruse</b> .....	283
The Raffles Bulletin, 1928–2009: Eight decades of brachyuran crab research (Crustacea: Decapoda). <b>Martyn E. Y. Low, S. H. Tan and Peter K. L. Ng</b> .....	291
